

The Communication and Events Committee is working diligently to plan a spectacular celebration to dedicate the new chapter house in a big way on April 19-20, 2024. Since many of the details are still being planned, we will be sending out official registration information after January 1, 2024. In the meantime, blocks of hotel rooms are NOW available at two hotels so that you can make reservations and ensure you have a room at the lowest room rates. **NOTE: The Alerus Center has booked a Kane Brown, Tyler Hubbard & Parmalee concert the evening of April 20. Hotel rooms in Grand Forks may be at a premium on the 19th and 20th so we urge you to book your hotel rooms now!**
